

Are you getting the most complete cleaning service available today?

Introducing iMOPS

The interactive Management Operations System, only available from the Arthur Jackson Company.

Do you have 24/7 access to your cleaning service?

iMOPS is a new concept in managing corporate and institutional maintenance, custom designed to meet your every need. Interactive and available whenever you are.

24/7 Access

iMOPS is web driven, exclusively providing you with accessibility to the area's most complete maintenance service, The Arthur Jackson Co. If you have internet access—on your desktop, mobile phone, or tablet—you can access iMOPS.

It's Unique

iMOPS is customized for you and your company's maintenance needs. It's password protected, allowing you to reach us with any and all questions, requests or cleaning requirements. Only you or designated representatives can login, ensuring your voice will be heard directly.

Can you reach out anytime with a cleaning task, request or concern?

It's Immediate

iMOPS allows for interactive communication between your company and The Arthur Jackson Co. —with real-time reaction and response to what you seek and request from a quality maintenance company.

It's Thorough

iMOPS is comprised of 9 individual sections that incorporate important features like Requests, Quality Assurance, Nightly Reports, Project Tracking, and even individualized Inventory Control. Track and manage in real time—by floor, tenant, or suite number.
